**Dermatologists of Greater Columbus**

Thank you for choosing Dermatologists of Greater Columbus. The following is our financial policy. Please review the policy, initial where indicated, sign and date at the bottom.

**Paperwork:** We request you routinely update your paperwork to ensure we have all the correct information on hand for billing purposes and to ensure excellent clinical care. This paperwork allows us to bill insurances in a timely manner and from preventing balances being unnecessarily transferred to you, the patient. We understand the frustration of completing paperwork and are constantly evaluating different methods to reduce the burden on you.

**Missed appointments/Cancellations:** We request 24 hour advanced notification of cancellations and reschedules. We try to notify all patients of upcoming appointments using our computerized calling system. Unfortunately, we do experience errors with the system from time to time. We do not charge for missed appointments or cancellations. Frequently missed appointments and cancellations can result in dismissal from our practice.

**Insurance:** Our practice is contracted with most commercial insurances and Medicare. We do not accept Medicaid. As a contracted provider, we agree to accept adjusted fees from your insurance company and bill in accordance with CPT and ICD guidelines. We collect co-pays at the time of visit. Deductibles and other outstanding balances will be billed to you, after your claim has been processed by your insurance company. We are unable to determine prior to your visit what charges will be applied to your deductible. The patient is responsible for providing the most up to date insurance information prior to, or at the time of service. Patient is responsible for payment of services rendered in the event they incorrect insurance information was provided at the time of service.

Available forms of payment include: cash, check, MasterCard, and Visa. **We Do Not accept Discover or American Express.**

**Cosmetic Procedures:** Payment is expected in full at the time of your procedure.

**Lab Fee:** Dermatologists of Greater Columbus and Dermatologists of Southwest Ohio use an outside laboratory for pathology services. When possible the practice will bill for the laboratory services.

**Patient is Responsible for Total Charge:** Patients will be billed in full for any unpaid copayments or deductibles. Patient balances will be set by the adjusted rates as determined by our contract with your insurance company. In accordance with our contracts and Medicare guidelines we cannot make adjustments to these fees or the codes charges. If your insurance requires a referral and the necessary referral was not obtained prior to services rendered the patient (or party responsible for billing as listed below) is responsible for total payment of services rendered. Prompt payments is expected.
