

From Dr. Zirwas

“This is the by far the fastest way to communicate with me and resolve any issues or requests you may have. I regularly check the portal.”

Username/Password Issues

If you are experiencing issues logging into you portal, please call our office (614-947-1716) and speak to a member of our reception team, who will resolve your username/password issue.

Steps to Access the Patient Portal

1. After setting up the portal with our office, you will receive an email sent to the email address you provided.

NOTE: This link will expire within 24-72 hours, ensure you activate your portal as soon as possible.

2. The link will prompt you to reset your password and from there your account will be active.

Once your account is active and password is set:

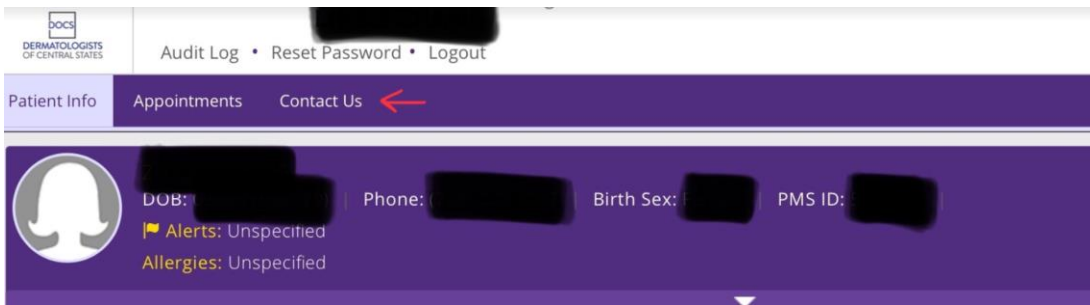

1. Go onto <http://www.dermsohio.ema.md> and select patient login.
